#### **TECH BIZSOLUTIONS AUTHORIZED TO RESELL DELTEK® SOFTWARE**

*The leading provider of software products for government contractors teams with local government contract consultants.*

**Longmont, CO, August 5, 2008** - Tech BizSolutions, a nationwide provider of consulting services and products focused on clients needing support with government contracting and accounting efforts announces its agreement with Deltek, Inc. to resell, install, and implement Deltek's GCS Premier® software products. GCS Premier® is the leading accounting solution for government contractors of all sizes. Designed and supported specifically to meet the exacting demands of government contract accounting, a properly installed and operating Deltek system guarantees compliance with job cost and cost accounting standards.

"With Deltek's deep domain expertise for project-focused organizations and Tech BizSolutions growing success in their sectors, we are excited by the opportunities this partnership brings," said Taylor Macdonald, Vice President, Worldwide Channels and Sales Alliances for Deltek. "We are honored to have Tech BizSolutions join our strategic business partner network."

Tech BizSolutions serves government contract clients nationwide with their business development, contract management, and financial accounting needs. While providing a variety of consulting services and products, they specialize in accounting system conversions and ensuring government contract accounting compliance.

"Becoming an authorized Deltek reseller opens up a very important market for us," said Tech BizSolutions President Brian Sperry. "The reputation of their product is unmatched. We look forward to this partnership as an opportunity to enhance the value we offer our clients."
